

Mercedes-Benz

EPC, WIS and TIPS Reader Subscription Application

Electronic Parts Catalogue (EPC) lists the replacement parts for the Mercedes-Benz (passenger car, light truck, vans) and smart product ranges.

Workshop Information System (WIS) contains repair instructions, safety information, troubleshooting, wiring diagrams, tool information and more for the Mercedes-Benz (passenger car, light truck, vans) and smart product ranges in the Canadian market.

Xentry TIPS is a web-based data processing system for technical information and solutions over all service levels.

Please read the following Disclaimer

"The information contained in this publication/video/website ("publication") is issued by Mercedes-Benz Canada, Inc. for use in conjunction with other service literature, special tools and equipment and parts specified by Mercedes-Benz in diagnosing and repairing Mercedes-Benz vehicles and is not intended to represent all available information pertaining to models referenced herein. Although this information can be useful for Mercedes-Benz owners and independent repair facilities, it is intended solely for use by service personnel properly trained and qualified to perform work on Mercedes-Benz vehicles and who have access to, and experience in using the necessary tools, equipment and literature required to perform service and repair work accurately and safely.

Warning: Failure to use proper tools and equipment, and to take all necessary and prudent precautions that would be taken by a trained, certified, automobile technician, and follow all safety guidelines in these and other service publications, may result in property damage, personal injury or death. These materials are not intended for instruction in repairing or servicing of Mercedes-Benz vehicles by persons without appropriate professional training and experience in repairing and servicing of Mercedes-Benz vehicles.

Mercedes-Benz Canada, Inc. assumes no liability for injury, damage or loss due to the use or misuse of this information and reserves the right to revise this information at any time without notice. Mercedes-Benz Canada, Inc. assumes no responsibility for errors and/or omissions in the information contained herein.

I understand that any unauthorized sharing of access of this account will result in the cancellation of my account and the loss of all funds.
