

Prepaid Maintenance. Drive with confidence.

Mercedes-Benz

Scheduled maintenance, tailored for you.

Drive with confidence knowing that your scheduled maintenance is taken care of right from the start, as is your budget. Choose a maintenance plan that's right for you, with options designed for low- or high-mileage driving, whether you buy or lease.

Plus, pre-paying at your authorized Mercedes-Benz Retailer offers significant savings compared to a pay-as-you-go approach.

Prepaid Maintenance is available for most Mercedes-Benz models* at the time of purchase, or any time before the first scheduled maintenance service.

Features of Prepaid Maintenance include:

- Plans as low as \$37 per month on lease plans†
- Lump sum or monthly payment options‡
- Fully-transferable from person to person^x

Prepaid Maintenance provides you with further peace of mind. * Prepaid Maintenance is available for 2024 and newer models.

† \$37 Based on 45M/3 Services CLA, GLA and GLB.

‡ Monthly payment options only available at the time of vehicle purchase (lease or finance deals).

^x Certain terms and conditions apply.

§ Prepaid Maintenance coverage is available for work performed at an authorized Mercedes-Benz Canada Retailer only.
