

Prepaid Maintenance. Drive with confidence.

Mercedes-Benz
The best or nothing.

Scheduled maintenance, tailored for you.

Drive with confidence knowing that your scheduled maintenance is taken care of right from the start, as is your budget. Choose a maintenance plan that's right for you, with options designed for low- or high-mileage driving, whether you buy or lease.

Plus, pre-paying at your authorized Mercedes-Benz dealership offers significant savings compared to a pay-as-you-go approach.

Prepaid Maintenance is available for most Mercedes-Benz models* at the time of purchase, or any time before the first scheduled maintenance service.

Features of Prepaid Maintenance include:

- Plans as low as \$18 per month on lease plans†
- Savings of up to 30% compared to pay-as-you-go
- Savings of an additional 20% on lease plans‡
- Lump sum or monthly payment options*
- Fully-transferable from person to person§

Prepaid Maintenance provides you with further peace of mind. Your vehicle's factory scheduled maintenance will be followed, its warranty maintained, and all work will be performed by factory-trained technicians at an authorized Mercedes-Benz dealership in Canada, using the latest diagnostic tools and only Mercedes-Benz GenuineParts.¶

* Prepaid Maintenance is available for 2018 and newer models, and is not available on G550 and G550 4X4².

† \$18 Based on 45M/3 Services A, B, CLA and GLA.

‡ When Prepaid Maintenance is purchased as part of the lease contract, with matching terms; only applies to vehicles that are returned at end of lease term. Not applicable to Vans.

x Monthly payment options only available at the time of vehicle purchase (lease or finance deals).

§ Certain terms and conditions apply.

¶ Prepaid Maintenance coverage is available for work performed at an authorized Mercedes-Benz Canada dealership only.

ITEMS NOT COVERED BY PREPAID MAINTENANCE PLANS †

In addition to factory scheduled maintenance, your Service Advisor may make additional recommendations based on factors such as the local environment, road conditions or individual driving habits. Items not covered by Prepaid Maintenance Plans include:

- Wear items (brakes, tires, wiper blades, light bulbs, etc.)
- Additives and/or fluid top-ups between services (fuel, oil and washer fluid, etc.)
- Wheel/tire alignment and balancing.
- Maintenance performed outside scheduled maintenance intervals or by an entity/individual that is not an authorized Mercedes-Benz dealer in Canada.
- Damage of any type caused by, but not limited to: accidents, fire, alterations, improper/poor fuel, algae, rodents, misuse or neglect.

†Other exclusions may apply, see contract for details.
