

Mercedes-Benz Extended Limited Warranty.

We've got you covered.

Mercedes-Benz

Extended Coverage. Excellent Value.

Your Mercedes-Benz is engineered to bring you years of driving pleasure. With this in mind, if you plan to drive your vehicle beyond its 48 month/80,000 km new vehicle warranty, then a Mercedes-Benz Extended Limited Warranty might be right for you.

If you decide to sell or trade in your Mercedes-Benz during this period, an Extended Limited Warranty can help retain and increase the resale value of your Mercedes-Benz.

- Protect your budget from unforeseen repair costs
- Enjoy Emergency Roadside Assistance for the entire term of the Extended Warranty contract
- Zero deductible
- Honoured by authorized Mercedes-Benz Retailers across Canada
- Backed by Mercedes-Benz Canada, not a third party
- Transferable from person-to-person, via an authorized Mercedes-Benz Retailer*

* An administration fee and certain terms and conditions apply.

When can I purchase this warranty?†

The Extended Limited Warranty can be purchased at any time during the new vehicle basic warranty period (48 months/80,000 km), as long as the vehicle has been regularly maintained at an authorized Mercedes-Benz Retailer.

You can upgrade from a Mercedes-Benz Certified Pre-Owned Limited Warranty (PLW)*

If you have a Certified Pre-Owned Limited Warranty from a Pre-Owned purchase, it can be upgraded to an Extended Limited Warranty at any time during the new vehicle basic warranty period, as long as the vehicle has been regularly maintained by an authorized Mercedes-Benz Retailer. Depending on your model and date of purchase, **\$870-\$2,070** could be rebated off the purchase price of the Extended Limited Warranty.

* Formally known as Star Certified Warranty.

† Please consult your Retailer for pricing. Certain limitations apply.

† Upgrades available to 24-and 36-month ELW packages.

Extended Limited Warranty Term.

You can add 12, 24 or 36 months of extended coverage to your new vehicle basic warranty.

- The 12-month/100,000 km and 24-month/160,000 km coverage is similar to new vehicle warranty.
- The 36-month coverage term includes the coverage of the 24-month plan, with the powertrain covered for an additional 12 months.

The Extended Limited Warranty begins on the first to occur of 48 months or 80,000 km (the end of your new vehicle warranty). If the vehicle reaches 80,000 km prior to 48 months, then the Extended Limited Warranty period will begin on the repair order date of the first warranty claim submitted at or over 80,000 km.

Extended Limited Warranty packages and prices*

Model	12 months/ 100,000 km	24 months/ 160,000 km	36 months/ 160,000 km
A, B, CLA, GLA, GLB†	\$2,389	\$3,149	\$3,479
C, GLC, SLK/SLC	\$2,719	\$3,589	\$4,129
E, GLE, CLS, CLE	\$3,369	\$4,239	\$4,779
S, SL, GL/GLS, G	\$5,759	\$8,259	\$9,129
AMG & Hybrid: CLA, GLA, C, GLC, SLK, E, CLS, GLE	\$4,569	\$6,409	\$7,499
AMG, V12 & Hybrid: S, SL, GL/GLS, G ,GT	\$6,739	\$9,779	\$10,759

*Suggested retail price. †Includes 450, 35, 43 and 53 models.

Extended Limited Warranty coverage details.

**COVERAGE UP TO 12 MONTHS FOR THE 12-MONTH/100,000 KM PACKAGE,
24 MONTHS FOR THE 24-MONTH/160,000 KM PACKAGE:**

Engine: Engine block, cylinder head(s), all internally lubricated parts, intake and exhaust manifolds, timing chain cover, flywheel, flex plate, harmonic balancer, coolant pump, turbocharger, supercharger, belt tensioners, seals and gaskets, hydraulic engine mounts.

Transmission: Transmission case, control module, all internally lubricated parts, valve body, hydraulic lines, torque converter, control pressure cable, shift linkage(s), slave cylinder, clutch disc, pressure plate, clutch release bearing and fork for vehicles equipped with a manual transmission.

Automatic Slip Differential (ASD): All hydraulic system components including pump, pressure lines, solenoid/valves and control module.

Traction Control System (ESP/ASR): Hydraulic unit (ABS/ ASR), charging pump, pressure reservoir and control module.

4MATIC™ models: Transfer case, front axle and all internally lubricated parts, front drive & axle shafts, bearings and hubs.

Rear Axle: Rear axle center section and all internally lubricated parts, rear axle side shafts and drive shafts, center bearing and flex disc, U-joint, rear axles shaft bearings and hubs.

Diesel Exhaust Treatment: Adblue tank, tank module, Adblue pump, diaphragm pump, AdBlue shift valve, Adblue line, AdBlue heated line, Adblue injection nozzle.

Cooling System: Thermostat, fan clutch, Radiator and electric coolant fan, coolant expansion tank, transmission and engine oil coolers as well as the metal lines and fittings.

Fuel Injection System: Vacuum control valve, ALDA/BCAPA (barometric pressure-charge air compensation) unit, fuel pump, fuel pressure regulator, injectors, fuel injector holders, all metal high pressure fuel injection lines and return lines, injection pump, mass/volume air flow sensor, engine idle speed control valve, fuel heater (diesel only), fuel primer pump (hand operated, diesel only), throttle linkage assembly, fuel tank and expansion tank.

Steering System: Power steering gear box including PML control valve, PS pump and pulley, ignition lock including cylinder/tumblers, drag link, steering shock absorber, steering knuckle, tie rods, idler arm, idler arm bushing, rack and pinion power steering, steering wheel, steering shaft.

Suspension: Coil springs, torsion bar linkage and brackets, shock absorber/struts, (ABC) hydraulic oil supply pump, air suspension pump, reservoir, valves, accumulators, valve linkage, oil reservoir and cover, oil level sending unit, high pressure oil hose, distribution valve, switch level adjustment, solenoid locking valve, suspension acceleration sensor, body acceleration sensor, switch load sensor, upper and lower control arms, as well as all suspension links and bushings, ball joints, wheel bearing and wheel bearing seals.

Brake System: Master brake cylinder, brake booster, vacuum pump, ASR/ETC/ESP/SBC hydraulic unit, brake caliper, metal hydraulic lines/fittings and parking brake mechanism.

Electrical System: Starter system components, all electrical motors, wiring harnesses and connectors, sending units, sensors, switches, fuse boxes, relay modules, electronic control modules, transmitters, instrument panel gauges, rheostats, potentiometers, blower motors & regulator, alternator, regulator & pulley, horns, actuators, timers, electromechanical valves and solenoids, ignition coils, power seat drives, rear window defogger.

Electronics: Engine control unit, ADS/AS, ESP, ETC, PSE, SAMS, SRS, ACC, A/C Temp., BM, CCM, COMAND, CST, DTR, EIS, RCL, ATA, AAM, ASR, BAS, ETS, Keyless-Go, steering tube control module, gear shift selector module, instrument cluster, door control modules, overhead control module, suction fan control module, emergency calling control units and upper control panel.

Climate Control: All electrical components noted above, as well as the A/C compressor & clutch, receiver-drier, refrigerant hoses & connections, evaporator, expansion valve, condenser, rear vent control cables, flap actuators, all vacuum valves and elements, auxiliary cooling pump, heater control valve, switchover valve, heater core and heater housing assembly.

Body: Window regulators, sunroof cables, front and rear windshield wiper linkages and power seat drive cables, all air bags and seat belt assemblies.

Central Locking System: Actuator/element pneumatic check valve, switches and linkages.

Remote Central Locking: Transmitters (excluding batteries) and receivers.

Closing Assist: Actuators, switches, and supply pump.

Soft Top/Hard Top: Mechanical linkages, hydraulic unit, valves/solenoids.

Roll Bar System: Roll bar mechanism or complete assembly, roll bar, hydraulic cylinders, hydraulic unit, valves, and actuators.

25TH TO 36TH MONTH (POWERTRAIN ONLY) COVERAGE INCLUDES:*

Engine: All items listed in 24-month coverage, plus the ME control module and injection pump.

Transmission: All items listed in 24-month coverage.

Drive Train: Front and Rear axle sections and all internally lubricated parts, axle shafts, axle shaft bearings and hubs, drive shafts, drive shaft center bearing and flex disc assemblies, universal joints, 4MATIC™ transfer case and control module.

Automatic Slip Differential (ASD): All items listed under 24-month coverage.

Traction Control System (ESP/ASR): All items listed under 24-month coverage.

*Seals and gaskets have coverage up to 120,000 km for the 24- or 36-month package.

Extended Limited Warranty for Mercedes-Benz Electric Vehicles.

We've got you covered.

Mercedes-Benz

Extended Coverage. Excellent Value.

Your Mercedes-Benz electric vehicle is engineered to bring you years of driving pleasure. With this in mind, if you plan to drive your vehicle beyond its 48 month/80,000 km new vehicle warranty, then a Mercedes-Benz Electric Vehicle Extended Limited Warranty might be right for you.

If you decide to sell or trade in your Mercedes-Benz electric vehicle during this period, an Electric Vehicle Extended Limited Warranty can help retain and increase the resale value of your Mercedes-Benz.

- Protect your budget from unforeseen repair costs
- Enjoy Emergency Roadside Assistance for the entire term of the Extended Warranty contract
- Zero deductible
- Honoured by authorized Mercedes-Benz Retailers across Canada
- Backed by Mercedes-Benz Canada, not a third party
- Transferable from person-to-person, via an authorized Mercedes-Benz Retailer*

*Formally known as Star Certified Warranty.

When can I purchase this warranty?†

The Electric Vehicle Extended Limited Warranty can be purchased at any time during the new vehicle basic warranty period (48 months/80,000 km), as long as the vehicle has been regularly maintained at an authorized Mercedes-Benz Retailer.

You can upgrade from a Mercedes-Benz Certified Pre-Owned Limited Warranty (PLW)*

If you have a Certified Pre-Owned Limited Warranty from a Pre-Owned purchase, it can be upgraded to an Extended Limited Warranty at any time during the new vehicle basic warranty period, as long as the vehicle has been regularly maintained by an authorized Mercedes-Benz Retailer. Depending on your model and date of purchase, **\$870 - \$2,070** could be rebated off the purchase price of the Extended Limited Warranty.

† Please consult your Retailer for pricing. Certain limitations apply.

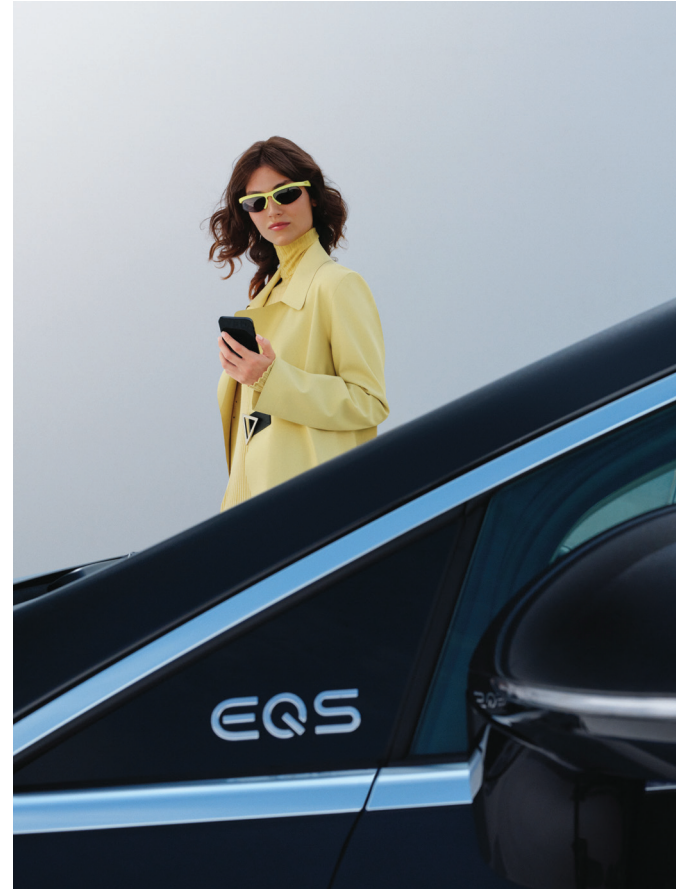

† Upgrades available to 24-and 36-month ELW packages.

Extended Limited Warranty Term.

You can add 24 or 36 months of extended coverage to your new vehicle basic warranty.

- The 24 or 36-month/160,000 km coverage is similar to new vehicle warranty.

The Electric Vehicle Extended Limited Warranty begins on the first to occur of 48 months or 80,000 km (the end of your new vehicle warranty). If the vehicle reaches 80,000 km prior to 48 months, then the Electric Vehicle Extended Limited Warranty period will begin on the repair order date of the first warranty claim submitted at or over 80,000 km.

Electric Vehicle Extended Limited Warranty packages and prices*

Model	24 months/ 160,000 km	36 months/ 160,000 km
EQB	\$3,619	\$3,999
EQE	\$4,869	\$5,499
EQS	\$9,499	\$10,499
AMG, G, MAYBACH	\$11,249	\$12,369

*Suggested retail price.

Electric Vehicle Extended Limited Warranty coverage details.

**COVERAGE UP TO 24 MONTH/160,000 KM OR 36 MONTH/
160,000 KM PACKAGE:**

Drive Train: Front & Rear Power Electronics drive units.

Traction Control System (ESP/ASR): Hydraulic unit (ABS/ASR), charging pump, pressure reservoir and control module.

4MATIC™ and Front Wheel Drive models: front drive shaft, front axle shafts, bearings, hubs.

Rear Axle: Axle side shafts, rear axle shaft bearings and hubs.

Cooling System: Thermostat, radiator, coolant expansion tank for HV battery, as well as the metal lines and fittings.

Steering System: Power steering gear box including PML control valve, ignition lock including cylinder/tumblers, steering knuckle, tie rods, and rack and pinion steering, jacket tube, and steering shaft.

Suspension: Coil springs, anti-sway torsion bar as well as associated linkage and brackets, shock absorber/suspension struts, ADS pump (where applicable), ABC pump, air suspension pump, reservoir, valves, accumulators, valve linkage, suspension pressure reservoir, oil reservoir and cover, oil level sending unit, high pressure oil hose, distribution valve, switch level adjustment, solenoid locking valve, suspension acceleration sensor, body acceleration sensor, switch load sensor, upper and lower control arms, as well as all suspension links and bushings, ball joints, wheel bearing and wheel bearing seals.

Brake System: Master cylinder, brake booster, vacuum pump, hydraulic unit (ABS or ABS/ASR/ESP), brake calipers, metal hydraulic lines and fittings, and parking brake mechanism.

Electrical System: All electrical motors, wiring harnesses and connectors, sending units, sensors, switches, fuse boxes, relay modules, electronic control modules, transmitters, instrument panel gauges, rheostats, potentiometers, A/C blower motor and blower regulator, alternator and pulley, horns, actuators, timers, electro-mechanical valves and solenoids, power seat drives, rear window defogger.

Electronics: ECU for engine management, ADS/AS, ESP, ETC, PSE, SAMS, SRS, ACC, A/C Temp., BM, CCM, COMAND, CST, DTR, EIS, RCL, ATA, AAM, ASR, BAS, ETS, Keyless-Go, steering tube control module, gear shift selector module, instrument cluster, door control modules, overhead control module, suction fan control module, emergency calling control units and upper control panel.

Climate Control: All electrical components noted above, as well as the A/C compressor and clutch, receiver/drier bottle, refrigerant hoses and connections, evaporator, expansion valve, condenser, rear vent control cables, flap actuators, all vacuum valves and elements, auxiliary cooling pump, mono valve, dual valve, switchover valve, heater core and heater housing assembly, heater control valve, PTC heater booster & cooler for HV battery.

Body: Window regulators, sunroof cables, front and rear windshield wiper linkages, power seat drive cables and seat belt assemblies, all air bags.

Central Locking System: Actuator/element, pneumatic check valve, switches and linkages.
